

Cassie-O-Peah Socks

Pattern by Kimberly Lewis

A Woven and Spun Creation

A Toe Up V Stitch Sock using and Afterthought heel

These socks were named after my daughter Cassidy. She is 11 years old and is still learning how to be a girlie-girl. She finally discovered dresses and dressier clothes, but still prefers a more sports like sock. So, this ankle sock was a compromise between sporty and dressy.

Yarn: Knit picks Sock yarn

Hook: used E

2 Stitch Markers

Stitches Used

Extended single chain (exsc) -- insert hook in stitch or space indicated, yo and pull up a loop, yo and pull through one loop only, yo and pull through both loops.

Paired Half Stitch (phs) - insert hook in stitch or space indicated, yo pull up a loop. Insert hook in next stitch, yo, pull up a loop. YO pull through 2 loops, yo again and pull through 2 remain loops. Insert hook into SAME stitch as last, yo, pull up a loop, insert hook into NEXT stitch, yo, pull up a loop, yo, pull through 2 loops, yo again, pull through 2 remaining loops.

Ch 10. Work bottom bump of chain with a slip stitch in 3<sup>rd</sup> ch from hook and in each chain across. (this will help reinforce the toe area)

Once to the end, sc down the other side of the beginning chain. 3 sc in the last stitch to make the corner (mark 2<sup>nd</sup> stitch in series with stitch marker), sc in each stitch around to last stitch, 3 sc in last stitch (mark 2<sup>nd</sup> stitch in series with stitch marker).

Continue this coil pattern increasing 3 stitches in each corner stitch.

Increase until you have

25 stitches for a size 5 shoe

29 stitches for a size 6 shoe

35 stitches for a size 7 shoe

39 stitches for a size 8 shoe

45 stitches for a size 9 shoe

After this, you will no longer need the stitch markers.

Work exsc in next stitch and in each stitch around. Do not join. Continue around in a coil

Work pattern until you are approx 2 inches less than the size of your foot. Mark side of sock with stitch marker. Continue exsc pattern to the other side of sock. You have now defined the front or top part of sock.

Ch 24 and join with exsc where your marker is. Continue exsc pattern across front of sock. When you reach the ch area exsc in each chain. Continue pattern for 3 rows.

Begin phs pattern and continue for 4 rounds or until sock is the length you wish it to be.

End sock with a shell edging. 4 hdc in next stitch, sk stitch, 4hdc in next stitch, sk stitch and continue shell pattern around.

Finish off and weave in end.

For heel:

Sc in corner area of heel and in each hdc and ch around.

Beginning with second round, decrease in each corner stitch and continue with a sc in each sc around until heel fits foot. Turn sock inside out and slip stitch remaining stitches close. FO and weave in end.
